

# DART MARINA

YACHT HARBOUR

## A Berth at Dart Marina...

Annual berth holders enjoy the finest marina location in the West Country, with the atmosphere and facilities of an exclusive club. The Yacht Harbour on the River Dart is a perfect retreat for simply relaxing and an ideal base for local boating or more ambitious cruising further afield.

We offer a warm welcome to all boat owners and their crew and are here to make sure that your enjoyment and relaxation is of the highest possible quality. Our yacht harbour was the first pontoon ever to be built in the UK and continues to set high standards and holds the Four Gold Anchor Award for the Yacht Harbour Association.

There are 110 annual berths with a limited number of visitor berths also available. The berths are accessible at any tide and are located in peaceful surroundings, just a short walk along the riverfront from Dartmouth's historic centre.

First class showers and bathrooms are onsite along with the fabulous Wildfire Bar & Bistro, luxury health spa, River Restaurant and hotel.

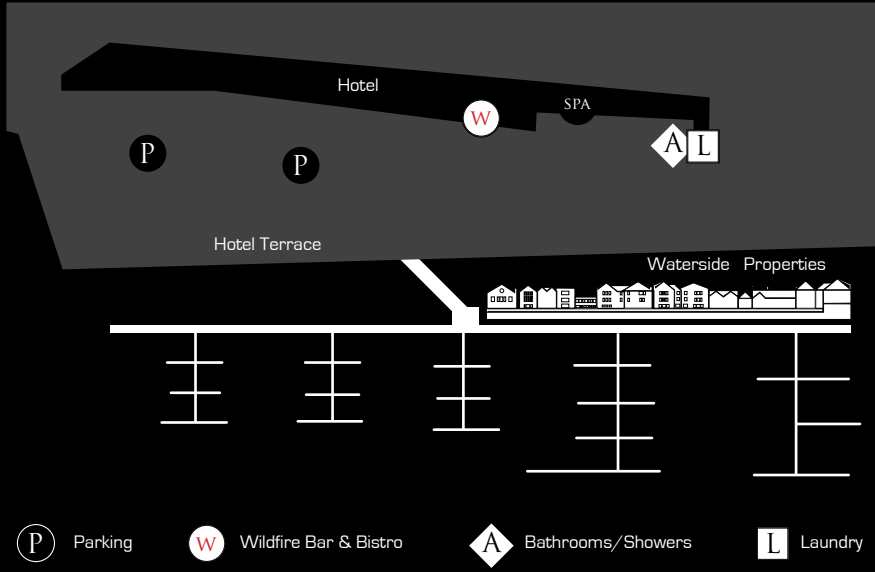

An ambience of unpretentious style and impeccable facilities. Enjoy delicious dining and fabulous spa treatments within this spectacular location.
